

Bauguess Children Born in Wilkes Co Before 1830

This is my attempt to use primary sources to determine the children and grandchildren of Richard Bauguess. I've seen many lists from other researchers over the years, and each one is a little different. It looks like Richard and his sons James and Robert each had children who shared the names Fanny, Jane, John, Nancy, Polly, Sarah, and Richard. No wonder there's so much confusion!

I'm sure other researchers will find mistakes in this list. That's OK. In fact, that's why I'm doing this! I hope to hear from others who can prove or disprove what I'm presenting. I've only found certain records, and I'm sure others have family stories, documents, or other research that can create a more complete picture of this family. I've seen references to a Bauguess family Bible. Has anyone ever seen this?

Please contact me with questions or any additional information on these families. I'll make updates to this list, and post the current version on my website: <http://www.webjmd.com>. Thanks.
